We had 9 entering this round on a perfect evening with a lovely sunset and just small ripples on the water.

Race 1 showed just how close these boats are with the winner just getting to his 18th lap, two finished their race on 17 and the next four all clocked 16 laps!

After Race 1 it was agreed to move Dave B and Ian into the B heat race so they were racing with 5 boats on the course instead of just themselves and the markers buoys to avoid! Though Dave did prove a few times he has not lost his amazing ability to stick his boat into a marker – a skill he has really perfected! They didn't embarrass themselves against some though competition with Ian a best 6th place and Dave a 5th.

Dave L had a great night winning Races 1 and 2 he was the only one to clock 18 laps. I came back to win Race 3, but Dave's 4th place in that one was enough for him to score 57 points which made him the nights overall winner. The points haul was enough to move him up a few places to equal 2nd with Chris in the series overall, while I hold a nice little points lead, but we are still not at the halfway point in the series yet!
